

# Amador Township Charities

August 2010

Dear Amador Township Resident,

**Do you REALLY know how important your donation is? They make this a better place to live!**

- Your donations have helped purchase fire fighting equipment for the township!
- Your donations have allowed the museum to restore pre-1900 Swedish log cabins & interpret local history!
- Your donations help children play ball in Amador Township each summer!
- Your donations help local senior citizens!
- Your donations help children in OUR community!

**Your annual charity gifts help OUR home community. Your donation is vital to local organizations. You can actually help our community prosper!** Your donations are tax deductible and a receipt is available upon request. You own property, but don't live here—help us anyway! The size of your donation is not as important as donating! **Please send in your donation by October 1, 2010 if possible. However, your donation is welcomed anytime during the year.**

- **EVEN IF YOU DON'T LIVE IN THE TOWNSHIP, YOU CAN STILL SUPPORT LOCAL ORGANIZATIONS.**

**We need your help making this year's Amador Charity Drive a success.** This once-a-year drive is conducted through the mail. **Please review the charities listed below and designate the amount you wish to contribute. If your favorite charity is not listed, please list it at the bottom of the sheet.**

If you are interested in joining Amador Charities or another organization in our community, please call Pat Remer at 583-2100 or Lin Strong at 651-269-3580 (Lin@ogsa.us) for more information. **Please consider this YOUR personal invitation to community involvement.**
